

## Yes Hotels – Network Event 24th March 2010

We are delighted to announce our **groundbreaking** networking event. This will take place on **Wednesday 24th March at the Cansata Hotel on the Queens Prom from 11am to 6pm.**

This event is free and will give you the chance to chat informally, over a cuppa, about your needs with small local businesses offering a selection of services and products of special interest and relevance to you and your business.

These suppliers range from web designers to financial advisors and are the sort of businesses often 'muscled' out of the limelight by the big companies with their huge promotional budgets. Not all can afford £100s to have a stall at an exhibition, not to mention taking a week off work to be there!

Yet, as we all know, personal service from a small business can so often mean better quality and value for money for the customer or guest!

An entry ticket is enclosed with this newsletter. Fill in your details on the ticket and bring it along on the day to be entered in our free draw.

This is a brilliant opportunity for local businesses to meet informally and to chat with, **specially chosen**, local suppliers of both products and services about the deals that are most important and relevant to you. The event is free to both you and the exhibitors and has been organised by unpaid volunteers.
